Dear Messrs. Heller and

Some months ago the Staff Director of this Subcommittee, Bob Boettcher, contacted your offices by telephone to request briefings by both the Agency and the Bureau for the Subcommittee and its investigative staff on North Korean subversive activities. This letter is a formal request for such briefings.

We believe that an understanding of South Korea's concern over North Korean penetration and subversion will be helpful to the Subcommittee and its investigative staff in comprehending the motivations behind some of the South Korean activities which the Subcommittee has been directed to investigate. We are requesting that such briefings be held in closed sessions, either formal or informal, and that they cover North Korean subversive activities both in the US and abroad, with special emphasis on the activities in Korea, the US and in Japan.

To coordinate the arrangements for these briefings, I am requesting that you contact either Bob Boettcher or Michael Hershman at 225-7722.

I greatly appreciate your cooperation in this regard.

With best wishes, I am

Sincerely yours,

Donald M. Fraser  
Chairman  
Subcommittee on International  
Organizations
